LIFEGUARDS

The Woodridge Park District Lifeguard Staff will start this season under the top national waterpark safety program, StarGuard Elite. The lifeguard staff undergoes an intense 20-hour training course including rescue skills, emergency response skills, community CPR, first aid, and AED training. Staff must also attend weekly in-service training sessions to review their skills.

Throughout the season, auditors from StarGuard will conduct three unannounced visits to audit staff performance. Our Lifeguard Staff has consistently received the prestigious 5 Star Award for exceeding criteria for aquatic safety since 2012.

SUPERVISION OF CHILDREN

Parents and guardians are responsible for supervising their children. Lifeguards are on duty to enforce rules and respond to emergency situations only.

GROUP OUTINGS & DAY CAMPS

GENERAL INFORMATION/DESCRIPTION

Group Outings arriving by bus are to instruct the bus driver to park at Orchard Hill Park, which is approximately one block south of the Cypress Cove parking lot. *BUSES ARE NOT PERMITTED TO PARK IN THE CYPRESS COVE PARKING LOT.* Campers should be dropped off by the gate that leads into Alligator Alley (yellow star on the facility map on page 3), as that's where all groups will enter.

Group Outings and Day Camp visitors are to have their group leader check-in and pay prior to entry at the Pass Sales Office Window located through the black gates to the right of the Admissions Box Office (black star on the facility map on page 3). Non-swimmers will be wrist banded upon entry, please have the number of non-swimmers in your group ready at check-in. The suggested ratio of campers to counselor/chaperones is 10:1. You will receive one free counselor/chaperone for every 10 paid campers. Method of payment accepted is Visa Card, Master Card, Discover, American Express, Cash or Organizational Check. Personal Checks will not be accepted.

Once the group leader has checked in and paid, a Head Lifeguard will meet with your group to inform them of the following pool rules:

- Running is not allowed.
- All persons in the lazy river must be or remain in an inner tube at all times.
- Safety Breaks are scheduled for 1pm, 3pmand 5pm. When you hear the Safety Break announcement over the inter com, you must exit the water and go to your assigned group area on the hill.
- If you get injured, please go immediately to first aid or the nearest lifeguard
- First Aid is located next to the Swamp Shack Café (Concessions Stand) (Red Star on facility map on page 4)
- If you hear your group's name announced over the intercom, listen carefully and follow directions.
- If you are not a strong swimmer, you must be wrist banded and are not allowed in the diving well or on the drop slide and diving board.
- Counselors must chaperone campers at all times. Management Staff has the right to contact camp leaders for unattended campers.
- Any campers in lifejackets or other US Coast Guard approved flotation devices must be within arms length of a counselor/chaperone at all times.

The Head Lifeguard will then lead your group into the facility to a group gathering spot. Plan to meet and gather your group at the designated gathering spot during safety breaks and before exiting the facility.

FAQS

1. **CAN WE BRING OUR LUNCHES INTO THE PARK?**

You are also welcome to get your hand stamped, exit and re-enter when finished eating. Cypress Cove is also surrounded by park space, so many groups or camps do choose to picnic in the grassy areas prior to entry.
2. **WHAT FORMS OF PAYMENT DO YOU ACCEPT? CAN WE BE BILLED FOR OUR VISIT?**

3. **DO YOU PROVIDE LIFE JACKETS?**
   We do provide life jackets onsite. Lifejackets are first come, first serve. For that reason, we suggest if you have a camper who regularly wears their own lifejacket, you should bring it with you, as we cannot guarantee the number of lifejackets that will be available the date of your visit.
